

## HOLIDAY IS FOR FUN

*“I will never take for granted, how greatly I have been blessed;  
For when it comes to parent, MOM & DAD you are the best.”*

### **HEY MOM & DAD**

***Let’s make this summer a cool and memorable one with the splash of fun filled activities and help me to capture a quality time moment that we will spend together. All the joyful moments we will catch and paste on my weekly calendar.***

***So, let’s jump together and get started.....***

***Yours \_\_\_\_\_***

***Class/ sec \_\_\_\_\_***

## ***INSTRUCTION FOR ACTIVITIES***

- **Weekly calendar**: - Kindly photocopy the given format on A-3 size sheet and use it for making calendar. Take pictures of beautiful moments of family, while doing activities and paste them in the space provided according in the weekly calendar to share the moments with friends and teacher in class.
- **Mat making**: - kindly make a table placemat in a-3 size pastel sheet using shapes and decorate it with vegetable printing, leaf printing, thumb printing. Paste your child's photograph and get it laminated and send it to school after holidays.
- Play snakes and ladder with your children on daily basics for number recognition and spatial concept.
